

AGENDA
CDFG Groundfish Task Force
2007-2008 Regulation Development Teleconference
Meeting Locations: Belmont, Los Alamitos, Eureka and Monterey CDFG Offices
May 25, 2006 from 1 – 4 pm
916-274-2971

Purpose: Receive constituent suggestions for putting together California's preferred alternatives for the 2007-2008 groundfishing regulations for the June Council meeting.

Meeting Outcomes:

- Information shared on the proposed recreational and commercial alternatives
- Information received on constituents key concerns
- Better understanding of constituents needs for preferred alternatives gained

Agenda

- 1:00 Meeting Start Up – Review meeting outcomes, housekeeping, roll call, ground rules, documents identified
- Orientation – where are we in the process?
- General Overview of the 07-08 Spex process and discussion of range of alternatives
 - [why a low? Why a zero impacts?]
 - CDFG key concerns – [what is a “bycatch scorecard” and why is it important to you?]
 - How we plan to manage the nearshore in 2007-2008
- Review key recreational alternatives as proposed (Discussion with group – 45 min)
- Short Break if needed
- [about 2:30] Review key commercial alternatives proposed – general, trip limits for nearshore (Discussion with group – 45 min)
- Other Issues - 2006 Inseason recreational changes “heads up”, Cabezon trip limit changes
- Next Steps – Summary of constituent needs and DFG perspective on developing preferred alternatives
- 3:55 – 4:00 Wrap Up – Review outcomes, last opportunity for feedback, reminder of “Groundfish Central” website

Agenda Handouts:

- Recreational alternatives
- 2007-2008 OY table with adopted values identified
- 2006 & 2007-2008 Estimated Impacts (Bycatch Scorecards)
- Nearshore commercial draft trip limit options

Thank You For Participating!
